SURESH DANI & SON'S CLASSES

ABOUT US

Suresh Dani's Classes (SDC) is one of the Pioneers of Education achieving continuous growth each year & having a very rich Alumni base. SDC is an institution which focuses on creating new benchmarks in the field of Science. It has been focusing on helping students realise their goals and their true potential.

Founder

Suresh Dani's Classes came into being in 1970 when Prof. Suresh Dani pioneered the methodical and systematic teaching of Mathematics. He decided to evolve and start an institution with a philosophy of imparting quality education to science students. He believes that every student is a reservoir of tremendous energy which needs to be channelised and given the right direction. He achieved this by making students realise their hidden potential and by making them realise the importance of their cherished goals.

Testimonials

SDC provides an opportunity to those who can not afford high-cost classes. Cracking NEET and entering an MBBS college has been very easy because of SDC. SDC provides a team of well-qualified and highly experienced professors. I spent most of the time studying at he classes.

- Abdul Samad Shaikh (Neet 617/720)

Everyone at SDC were always student oriented, Suresh sir himself, the whole teaching faculty along with the non-teaching staff were always there to help and support us. The best thing about SDC is that they give more importance to the clarity of the concept rather than finishing it off in a fixed amount of time. I would like to describe my experience at SDC in one word that is 'Awesome'

- Jeet Vora (Neet 625/720)

SDC is an institution which helps students to clear competitive examinations in the best possible way. SDC provides students with study material as well as an excellent team of professors who solve doubt and difficulties of all students and also make concept understanding easy.

- Shivam Prajapati (MHT CET 187/200)

I am a student of k8 batch from kandivali from my view best classes in mumbai for clearing CET as well as NEET all sirs are Fabulous and prasant dani sir is a master in communication .All subjects are best but Physics /Maths / Biology are outstanding. Chemistry by ansari sir is also appreciating
